

Registering for PALS during the pandemic :

1. All UMMC Downtown campus employees: please check with Clinical Practice & Professional Development (CPPD) as to whether registration is currently "in person " at the CPPD office or via email.

(410-328-6257 [/professionaldevelopment@umm.edu](mailto:professionaldevelopment@umm.edu))

If registration is via email you will be contacted as to how/when you should submit your security deposit or registration fee.

If you want or are required to purchase the 2020 ed of the PALS Manual &/or algorithm card - please note that in your email & you will be contacted by the coordinator as to how you can obtain these items.

2. All others : you may also check with CPPD as to how registrations are currently being accepted (as noted above) . If you choose to submit via email & you are required to pay a registration fee we will then require you to follow up by sending your registration form along with your registration fee check in the mail (see registration forms for mailing address).

If you want or are required to purchase the 2020 ed of the PALS Manual &/or algorithm card - please note that in your email & you will be contacted by the coordinator as to how to submit your payment for this & they will then be mailed to you.

If registering for the initial Provider course it is required that you have the 2020 ed of the PALS Manual & algorithm card. If sharing within your department - please be sure to have them available to you to complete the course preparation modules & on the day of the course. You do not have access to an ebook with your Precourse Self Assessment & Preparation Work.

If registering for the Renewal course you will be given/sent updates to your current manual or you may purchase the new PALS Manual 2020 edition You will also have access to the 2020 edition PALS ebook with your online AHA PALS Heartcode course.
